

Welcome to the Team!

We wish to welcome and introduce our new Dovetail interns!

[Delaney Owens](#) is an intern this semester and is assisting with the wildfire program, community engagement & development.

[Grace Simmons](#) is an intern this semester and is assisting with the wildfire program & content development.

[Jackson Gorland](#) is an intern this semester and is assisting with research efforts around landuse, agroforestry, & fisheries.

Free Biochar Demonstration

Join us for a hands-on Biochar Demonstration, rain or shine on August 24th! Discover the benefits of biochar for soil health and sustainability. Compare different equipment and learn how to create biochar using a flame-capped kiln. Find out how biochar production can help with fuel reduction, controlling invasive species like buckthorn, and cleaning up storm damage.

FREE BIOCHAR DEMONSTRATION
Clifton Fire Department
2146 Old North Shore Rd. Duluth, MN 55804
1:00PM - 3:00PM | AUGUST 24th

Join us for a hands-on Biochar Demonstration, rain or shine! Discover the benefits of biochar for soil health and sustainability. Compare different equipment and learn how to create biochar using a flame-capped kiln. Find out how biochar production can help with fuel reduction, controlling invasive species like buckthorn, and cleaning up storm damage. Don't forget to bring a bucket to take home some free biochar!

Sponsors:
DOVETAIL PARTNERS, CARBON PLANET, FIRE ADAPTED COMMUNITIES, and others.

CAN'T GET ENOUGH OF BIOCHAR?
Join the Clifton Fire Department for the Biochar as a Soil Amendment Field Day on August 29th. Learn more at <https://www.cliftonmn.gov/>

The work upon which this project is based was funded in whole or in part through a grant awarded by USDA Forest Service Wood Innovation (22-001-F004200-053). This institution is an equal opportunity provider.

Listen to [Episode 10 of the Forest North Podcast: "Superior National Forest Fire Strategies and Fire Adapted Communities"](#)!

Nicole Selmer, Fire Prevention Specialist with the Kawishiwi Ranger District and Gloria Erickson, Fire Adapted Communities Project Manager with Dovetail

Partners, talk about fire strategies on the Superior National Forest.

100 Rural Women Webinar

Check out the webinar recording from May. It featured Dovetail's short film, Rooted in the Future, intended to inspire landowners to develop and implement a plan to care for their forestland and build fire resiliency. You can view the recording [here](#).

Mid-Year Review

Please take the time this month to catch up on any of the articles you may have missed along the way as we reach the half-way point in 2024.
